

Nissan Preventive Maintenance Program

Enjoy Great Savings

with our Nissan Preventive Maintenance Program V

For 2 Years or 40,000 km (whichever occurs earlier)

ie. Entitled to 4 services at intervals of 6 months or 10,000km, commencement from first intake.

Take advantage of Tan Chong's distinctive offer for all Nissan customers. The value added Nissan Preventive Maintenance Program serves as the most economical & comprehensive vehicle maintenance package.

Competitive Pricing

We offer very competitive rates below normal price. No worry on sharp increase in prices of spare parts and lubricants.

Between 20% to 25% cheaper than normal rate.
No worries on inflation cost.

Quality Service

A comprehensive Preventive Maintenance Package to maintain your Nissan in accordance with manufacturer's standard and quality.

Labour & Material Charges

There will be no other hidden charges. All labour, lubricants and spare parts are included into package pricing as per "Nissan Preventive Maintenance Program". High quality 100% synthetic engine oil will be used for all services.

Service Intervals

Intervals of 6 months or 10,000 km whichever occurs earlier from date of program commencement.

Transferability & Refund

Program is transferable to subsequent owner of same vehicle (Transfer is subject to proper authorisation), thus adding value to resale vehicle. However, no refund shall be granted in the event of program termination.
