

NISSAN EXPRESS SERVICE

What is Nissan Express Service?

The Nissan Express Service is a value-added service specially introduced at Bukit Timah Service Centre to:

- **Perform** Specific Maintenance Services (for passenger cars only) in the **Quickest Possible Time**
- Employ Dual-Technician Workbay to **Optimise Output**
- Apply **Nissan Industrial Engineering Standard** and **Best Practices** in performing job to Highest Quality
- **Complete job** in recommended **Standard Timeframe** and deliver vehicle within **Promised Time**
- **No Additional Charges** shall be incurred by customer for all Express Service Packages

How it works

1. Call the **Nissan Express Service Hotline 6460 1754** to fix an appointment.
2. All Nissan Express customers will be allotted a fixed appointment date and time.
3. Punctuality is of utmost importance to ensure no unnecessary delay.
4. Personalised Customer Care by Service Advisor from vehicle intake till delivery.
5. Each customer shall be allotted a dual-technician workbay to ensure job completion within promised time.
6. Customers can wait and relax at our exclusively designed cosy Lounge whilst we perform the maintenance services.

Relax in our cosy and exclusive customer Lounge while you wait for your vehicle.

For appointments, please call **6460 1754**

Service Appointment & Punctuality is much appreciated.
